

Join us in celebrating our 21st year at the annual Prestonfield's Burns Supper in aid of Prostate Scotland.

Join us on **Thursday 21 January 2027** at the stunning **Prestonfield House** in Edinburgh to support our work.

You'll be entertained in unique Prestonfield style, with a friendly and welcoming atmosphere, top-notch entertainment, and the opportunity to network with likeminded community and business leaders. We have **Grant Stott** returning as Master of Ceremonies to celebrate the life and poetry of Robert Burns, but with a unique **Fred MacAulay** twist! We'd love you to be a part of this important event in our community and help us kick off our 21st birthday year in style.

Prostate Scotland generates its own income without any government or NHS support through donations from fundraising activities and voluntary sources in Scotland. The Burns Supper lets us raise funds through the magnificent prizes donated to our **Prize Draw, Silent, and Live Auctions**. Your support for our Burns Supper will make a significant difference to someone's life.

Why we raise funds

- We're a Scottish charity set up to provide information, advice and support on prostate health and diseases, tests and treatments.
- Prostate cancer is the most common cancer affecting **1 in 10 men** in Scotland.

As an organisation, we aim to inform, educate, support, campaign and advance understanding of prostate disease in Scotland. Carrying out our work will enable us to drive earlier diagnosis of prostate cancer - giving our husbands, dads, sons, brothers, and friends the best chance of effective treatment and ongoing support.

Let's not forget prostate disease: **nearly 1 in 2 men** in Scotland are affected by prostate disease at some stage of their lives. We began our 2 year, fully funded, research project focused on one form of prostate disease, **Benign Prostatic Enlargement (BPE)**, last year. The project aims to help us gain a better understanding of the situation of men with BPE across Scotland. Findings from the project will be used to raise awareness and understanding of BPE and to inform and develop policy and support service initiatives relating to prostate disease in Scotland.

Get involved!

Showcase your commitment to our community and this important cause. Join us and over 350 guests on 21st January by: hosting a table to join the fun, donating a prize for our Prize Draw to raise your profile in our auction, or bid in our Silent and Live Auctions. More information can be found by scanning the QR code at the bottom of the page. We'd love to hear from you: contact Daniel or Morag at communications@prostatescotland.org.uk or contact the number below.

Thank you for considering this opportunity to make an impact.

Prostate Information Booklets

Our range of 30 booklets provide information on prostate disease and cancer. These are free of charge and are updated regularly by our panel of experts.

Prostate Champion Talks

Through our partnership with the Grand Lodge of Scotland and Scottish Freemasons, our volunteer Prostate Champions run awareness stands and talks in their communities.

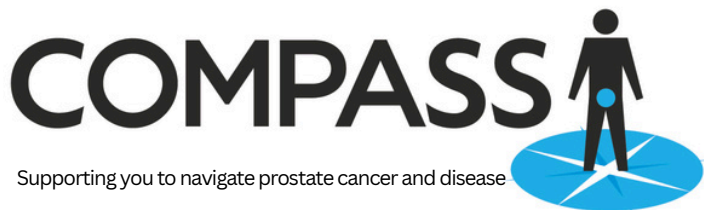

Delivered **117** Awareness Talks

Reaching **2,282** people

170 Participants Completed **23** Living Well with Prostate Cancer Courses

HAMILTON-TARMAC.CO.UK

Living Well with Prostate Cancer Course

6 week bespoke programme of knowledge to help men during their cancer journey.

In partnership with **Ayrshire Cancer Support**, **UCAN** and **Maggie's Centres across Scotland**

Prostate FFIT (Football Fans in Training)

12 week tailored healthy living, exercise and peer support programme for men affected by prostate cancer.

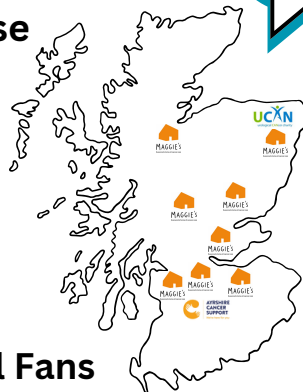

In partnership with the **Scottish Professional Football League Trust**

PFFIT has been running now for four years with programmes at Aberdeen, Dundee, Hearts, Kilmarnock, Rangers and St Johnstone.

In 2027, following the success of these programmes, Prostate FFIT will be launching for the first time in Airdrie.

In partnership with the **Airdrie Community Trust**

"It is bridging the gap that the clinical team aren't able to do"

"The discussions with other men on the course was one of the most helpful parts of the course."

"Combination of this course and Prostate FFIT has completely changed me!"

"It was useful to find out that what you were feeling, side effects of treatment etc. was not unique to you"

2020-2025 Impact Snapshot

68 LWWPC courses facilitated, with
510 attendees

14 Prostate FFIT programmes delivered

for **224** Prostate FFIT players

100%
of participants for both programmes will recommend to other men

100%
of participants think our programmes are either extremely or very worthwhile

If you would like more information on our **COMPASS** services, scan this **QR** code to read our **2020-2024 COMPASS Impact Report!**

What's Next?

Celebrating our 21st year

In August 2026 we officially turned 20, making 2027 our 21st year.

We'll celebrate throughout the year, so keep an eye on our channels for ways to get involved.

#Cheersto21Years

Benign Prostate Enlargement Research

We are partway through our 2 year research project to understand how BPE affects men's lives in Scotland. We are currently running a survey for men with lived experience - have a look at our work here
