

Prostate cancer?

Join a Living Well with Prostate Cancer Course

Hear from experts about staying well and managing your side effects.

Meet others and pick up tips to reduce the impact on your life.

Talk to a Cancer Support Specialist

They'll listen, answer your questions and guide you to the right information about anything from your diagnosis, to your treatment options or side effects.

Finding out you have prostate cancer, or living with prostate cancer can change your life. Prostate Scotland and Maggie's Forth Valley have teamed up to make sure there is help available when you need it most.

Join a Living Well with Prostate Cancer Course

The course has been specifically designed for men undergoing treatment for prostate cancer or when treatment has finished. We take a look at side effects and how to minimise them, the practicalities of having prostate cancer and what you can do to live well. We also touch on the impact on finances and relationships along with many other topics! You'll meet others in a similar situation and hear from the experts. The course runs over 7 weeks for 1.5hrs.
